JOHN S. OGDEN, JR.

DEDICATION

A community is composed of many people working in harmony with each person fulfilling his responsibilities and role within the structure of those around him. The function of most individuals is obvious, for one comes in contact with them as a matter of routine.

However there is a group of remarkable people here whose functions we rarely notice and often take for granted. They are the ones who repaired the window which was broken yesterday, preserved the open hockey rink on rainy days, and plowed the snowladen paths during the night so that they would be clear in the morning. The members of the drama club's stage crew were especially grateful to the staff for their invaluable assistance. Too often their work, generosity and patience have been forgotten.

It is our hope that this presentation will, in some way, atone for the many unspoken compliments. Hence, this year the senior class most respectfully dedicates The 1971 Milestone to Mr. Paul Griffin and the maintenance department.

PATRONS

"In 1763 Lieutenant Governor Dummer's vision of a school which would provide the education so important and so hard to come by in his day and place became a vigorous reality."

On September 18, the school opened its doors for the 207th time and quietly acknowledged the passage of another decade and the renewal of it's endless task.

This year the academy has continued to ingest the ideas and practices of the changing times, striving to rejuvenate its program through the imagination of its very life-blood — the students.

Significant modifications were made concerning the institutional level. Included were the establishment of senior spring projects, expansion of courses involving independent study and the construction of the Schumann Science Complex. Hence, the Governor Dummer student is offered the challenge of additional freedom and responsibility to incorporate and utilize these changes towards his own goals. The means are provided, but a successful outcome depends upon the initiative and resourcefulness of the student.

Undoubtedly the most apparent and welcomed change was the promise of co-education for the upcoming year, providing greater diversity and a more realistic atmosphere.

In speaking of friendship Kahil Gibran wrote in The Prophet, "your friend is your needs answered. He is your field which you sow with love and reap with Thanksgiving." One of the most important aspects of one's experience at Governor Dummer is the bond of friendship formed between students. The advice, understanding words, the times of joy and grief . . . these things above all else are the most precious treasures we carry with us from this community. Should we never see these companions again after leaving, the memories will endure a lifetime.

Augmenting the on-campus activities, the students have and will continue to participate in programs such as Seaview, Hathorne, and Newbury Elementary. The value of these opportunities cannot be expressed in a grade form. It cannot be accounted, only witnessed. For instance, "One afternoon we took the blind kids from Seaview to the beach and tried to tell them what a wave looked like . . . then we played blindman's bluff with them and lost." But our community must extend itself even further for the benefit of other people.

One point of optimism in this respect stems from the senior projects: ecological work at the Ipswich River Wildlife Sanctuary and Merrimack River pollution study, the Brandeis and Portsmouth drama programs, volunteer work with senior citizens and the mentally retarded, and living and working on a Kibbutz in Israel. As an educational institution we can remain autonomous, but as individuals we cannot and should not attempt to isolate ourselves.

However, there is one aspect of education in which many students should be separating themselves from others, but too few have. Throughout the year there has been a continual reassessment of old values and testing of new ones. Unfortunately many can never benefit from or bear the result of embarrassment sustained in expressing their unusual ideas or views. Those, the ones who fear failure, are the unlucky; for only by bruising himself can the individual retain his pride when losing and graciousness in victory. Students who are unwilling to isolate themselves in the face of others and defy the rain of criticism can never know triumph since they have never experienced defeat. The less sensitive person who continues to cast his shadow into the light of popular opinion and dares to fulfill the expectations of his wildest pipe dreams will progress much faster upon the purpose of education than those who never passed the threshold of their pride.

In retrospect, there comes a point when grades, brownie points and college boards are forgotten, and we are compelled to ask, "Have I, have we really done something worthwhile?"

In reference to this year we are inclined to say "yes". Both old institutions and new ideas were challenged. Some of both was rejected; some of both was retained. The future rests upon the continued vitality of what has been retained.

This year, because of the new opportunities provided, has served as an interim period between what has been and what is to come. Since it was a period of change, we are unsure of the final outcome.

The process of the revitalization of the school is unending. As far as the future of the school is concerned, this year was a small, uncertain step, but hopefully it will help instill confidence in ourselves and in Governor Dummer to take bigger ones.

STUDENT ORGANIZATIONS

STUDENT GOVERNMENT

In the fall, after a month of settling back into school life students once again realized the existence of the same haunting problems. Communication gaps between students and faculty and a general lack of trust were back again to hinder efforts towards a workable, successful community. The student government, composed of nine members (two elected from each lower class and three seniors (President, Vice-President and Secretary), was on its last legs, its one function as mediator between the faculty and students dwindling down to nothing. Students had only the power of suggestion, having little voice or vote in determining what their school would be.

In February the senior council members attempted to devise a better system, delegating more responsibility to the students such that they could be an effective mouthpiece of opinion for the entire student body. The new government commenced with sixteen student members who were elected by their respective dormitories. From this body two secretaries were chosen to organize the meetings. One field of responsibility that the body has been dealing with is greater involvement in disciplinary matters. Hence, a student-faculty discipline committee was formed and it seems to be a promising solution.

In the future it is imperative that the Student Government communicate frequently with the students and for the Administration to reciprocate as well. All of us on the Student Government are looking hopefully towards a time when students do play a more active, beneficial role in the Academy, and the concept of a close community flourishes.

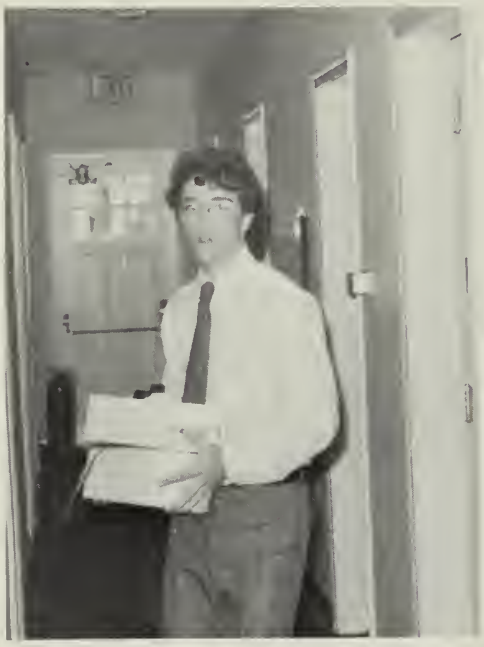
FALL

OPENING DAY

New Faces . . .

Optimism . . .



Another Chance, Anxiety . . .

For Some . . . The Last Time

1763

The beginning of this school year was not markedly different from beginnings in the past. Always there is the confusion, a certain amount of fear, hopes for the future, and thoughts about last summer. Indeed it is a time of mixed emotions. But for all, it is a time of excitement. For the football, cross country and soccer players who arrived early for pre-season practice, the excitement entails watching the campus come alive. For the new boys, the excitement exists in meeting new people and adjusting to a new environment. For the old boys, opening day means returning to old friends. And for the seniors, underneath everything else, there is the feeling that they have come to the brink — a brink of a new beginning. However as the school year progresses, most often this excitement subsides. Often the year becomes only a chore, something which has to be done. One loses all the good feelings of opening day in a myriad of tests and papers.

What is the ingredient which will sustain the type of excitement which gives vitality to a school? The key is involvement, people doing things which interest them, whether it inspires personal or community growth. Through involvement, excitement and growth are perpetuated rather than inhibited.

Planned and organized primarily by the junior class, the **Wonasquam** festival was intended to be a free expression of music, using existing groups on campus. Some of the participating groups were Guy and the Greasers, Jizz Jam and Wilderness. The festival, getting its name from a once existing Indian village in the area, was held outside, next to Farmhouse. The crowd numbered over a hundred, which, all factors considered, was a good turnout. Hopefully Wonasquam will prove to be a prototype for later music festivals.

On an evening in the fall, a representative from the **Gillette** Company spoke to the Governor Dummer community on a most intriguing topic. The efforts of Gillette in Roxbury were to help the community help itself and gain the interest of young men and women in the Gillette organization.

Mr. Charles Dellacroce, while shunning the title of social worker, related a story of social work done this past summer. There had been in Roxbury an old condemned Boy's Club which was abandoned when a new structure had been built to house the club. It was then brought to the attention of the community that it had no Girl's Club. As the idea of using the old building for such a purpose grew, Mr. Dellacroce and his few assistants moved in.

Having purchased the structure for a low price, a small skeleton crew of professionals and fifteen volunteers of the community began the task of resurrecting the building.

Their hopes and dreams soon became reality as other organizations such as 4 H Clubs joined the project. By summer's end, a beautiful new Girl's Club was completed.

The most inspirational aspect of Mr. Dellacroce's miracle was the realization that the original fifteen community members had formerly been labelled as non-productive members of society, hoodlums and delinquents.

People who truly care for their neighbors will make sacrifices and work for the people of their community.

HALLOWEEN

OCTOBER 31, MORATORIUM DAY

The war in Asia continues to divide our country today. With each day the gaps of discontent grow ever wider. As we quarrel today, in Congress, in the Senate, with the administration, more of America's sons spill blood for a hidden, obscure cause. It is apparent to all now that the war must end soon.

No parent here today wishes to have their son killed before he has tasted the fruits of life. To prevent his death you must make your voice heard. Very early in the coming month of November there will be an election for legislative offices; representatives will be elected to bring forth your views in the nation's congress.

We now beseech you to consider very carefully the power of your VOTE. There are running for office many men who we would classify as "DOVES", MEN WITH A DESIRE TO BRING AMERICA'S SONS HOME AND SAVE AMERICAN LIVES. The parents here today hold the power to give the power to these doves in the November elections. This power may be that of saving your son's life.

What is being asked of the parents today is to carefully consider their vote, look at the men running to represent you, then look at your son. Does this man represent the hopes and dreams you have for your son and the world he will live in? Does he represent peace? IF the answer is yes, vote for him, if no, consider carefully how you will cast your vote. YOU ONLY HAVE ONE.

BY ROBERT VEASEY
FOR MORATORIUM DAY.
OCTOBER 31, 1970

PARENTS' DAY

VOLLEYBALL

The 1970 World Volleyball Championships were held at Governor Dummer Academy with an elite field of twenty-four squads.

Originally scheduled to be held in Munich, but due to prior commitments, they were shifted to GDA. At the onset, the teams' strengths seemed to be equal. However, rumor had it that Evan's Eclaires were shoe-ins. The tourney this year was broken up into four divisions. The Dessert League was easily won by Rivera's Raspberries. Rutherford's Rump Roasts captured the diadem of the Entree League in a sizzling scorcher over Mercer's Meatballs on the final day. The Upset Stomach League was the domain of True's Tomain's reign, as they edged Leavitt's Lunch. In the fourth conference, the Hors d'ouvres League, there was a three-way tie for the sunspot. Downe's Dips triumphed over Bloom's Barbecued Llama Lips and Anderson's Anchovies to land the final playoff berth.

The four divisional winners advanced to the semi-finals. In the first game, the Dips rallied to topple True's Tomain. The second semi-final was captured by Rutherford's Rump Roast in a squeaker over Rivera's Raspberries.

This set up a final classic title match. Scalpers were reportedly receiving $150.00 per ticket for obstructed view seats. Officer Calhoun was believed to have been stampeded by unruly fans, hungry for a glimpse of the action. The finals went the full three games with the Rump Roasts eventually prevailing in a barnburner. Meanwhile Captain Evans and his Eclairs were last sighted floating on a barge, viewing game films.

As a busy fall term of athletics and academics came to a close, students and the faculty enjoyed participating in the Second Annual Ping-pong Tournament and Five Mile Pie Race. The contests drew participants from everywhere as freshmen challenged seniors, and coaches those whom they had coached.

In the Ping-pong Tournament, Charlie Bouchard successfully defended his title with an exciting win over Bull Frost. Trailing in games 0-3, Charlie put his game together and battled back to win the best-of-seven series. Held in Alumni Gym, a large crowd witnessed the match.

Moses Peabody, a freshman, took an early lead and captured the first finisher trophy in the pie race. In winning the best time award, Tom McMeekin set a course record of 28:00 minutes. Despite temperatures in the low thirties, most of the entrants enjoyed the challenge. In all, there were 43 members of the GDA community who won a pie by virtue of traversing the course in less than 40 minutes.

CHARTERED

the end

FALL SPORTS

VARSITY SOCCER

1970 was not a superlative season for Governor Dummer soccer by any means, but it was certainly a season and a team to remember. The varsity squad played under a new coach, Mr. W. Marshall Clunie. His team played with a 4-3-3 lineup and was balanced with great potential in the attack but a less stable defense. Among their greatest assets was the team morale, which never waned, but often carried them through the most difficult weeks. Their method of play was not to rely upon planned, football-style strategies, nor the physical game of soccer, but rather on the abounding individual talent.

Coach Clunie looked forward to a very successful season, but the progress of the team was disrupted by injuries to two key players, Barton and McKenna. Following this, the defense had to rely more than ever upon the experiences of co-captain Gorty Baldwin, pivot of the defense. Chip McClure, the goalkeeper and recipient of the M.V.P. award, played some excellent games, one of them being against Middlesex where he pulled off some spectacular saves. Part way through the season, Mike

1st Row: Connelly, Nietsch, Mulligan, **Co-capt.** Fish, **Co-capt.** Baldwin, Moher, Ellis, Nickerson. **2nd Row:** Wilson, Barton, Bouchard, Johnson, Turner, Haffenreffer, Potter, Follansbee, Lee, Shack, Woodbury, Coach Clunie. **3rd Row:** Traver, Katzenberg, Brace, McClure, Lapaglia, Simson, Roof, Kirkaldy.

Fish, a natural inside-forward, was moved back to the right halfback position to steady the defense, a role that he filled most effectively.

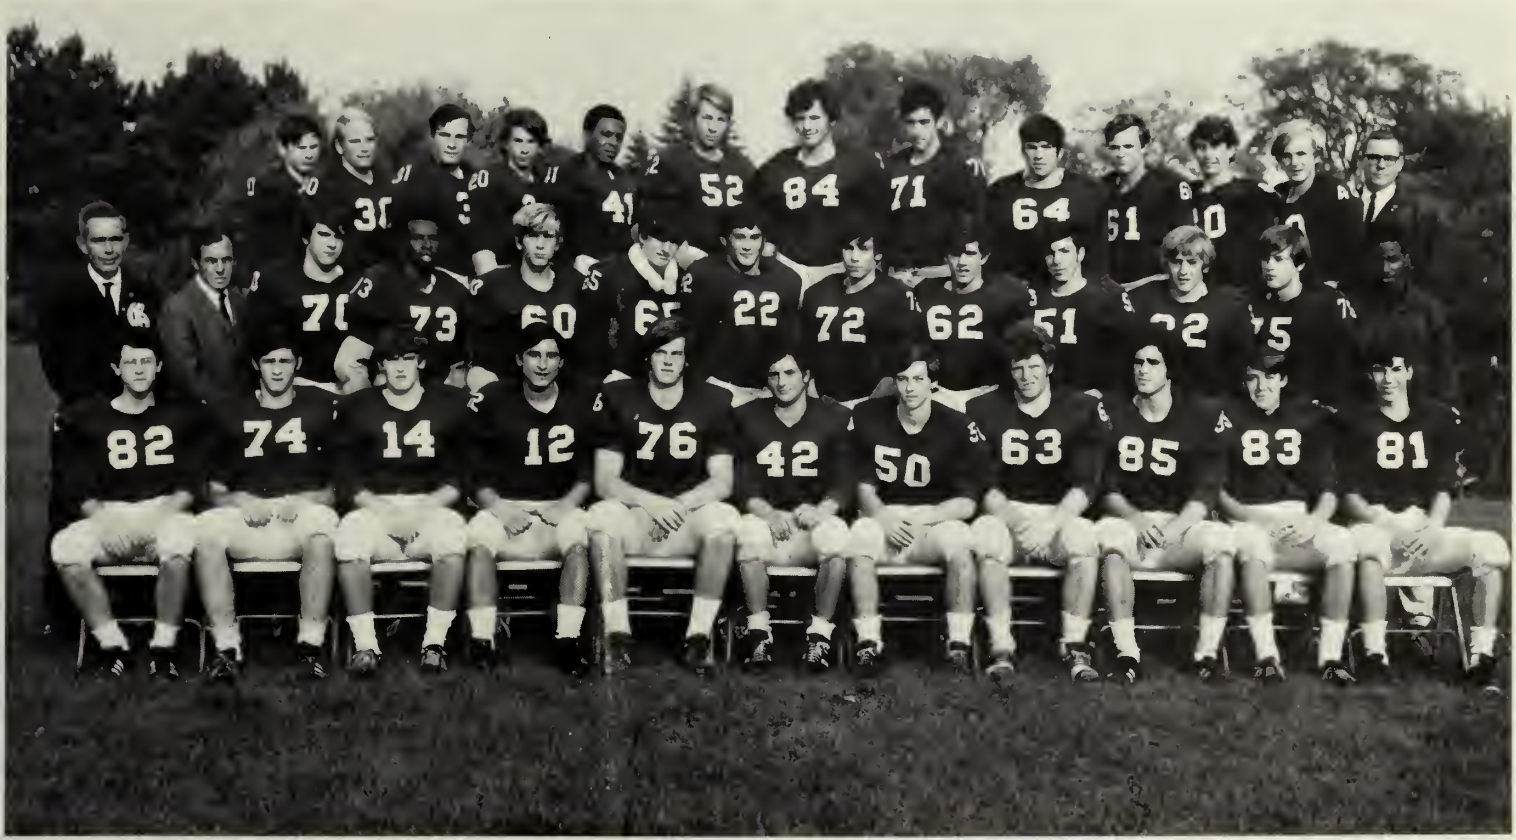
The team at its best was like a champion – brilliant, swift attacking plays were often exciting. However there were times when the skills just did not click, such as at Noble and Greenough, where the defense folded with three goals in as many minutes. Other games saw their skills caught in a mud-bath, and then they could only play with their determination. Such was the game against Belmont Hill when they came so close to 'togetherness,' as Coach Clunie called it, and guts, but the final outcome was in Belmont Hill's favor. However the quality of the team should not be measured by its modest record but by its great enthusiasm and exciting play.

VARSITY FOOTBALL

It used to be the feeling that one just could not wait to emerge on the old gridiron. To see your teammates for early practice sessions, to get back into shape, to see the coach again. It was a lot of fun. And of course there was the calculating part of pre-season football, like how much do I eat before I will become sick on the field.

This time, before school started, we seemed to be devoted to getting back into the grind of things a little before everyone else, but it should also have been a time to make a commitment to a team effort. Mr. Anderson, in his own cautious way, predicted a good season if just certain things fell into place.

Through the early scrimmages we seemed to make mistakes, but these were greatly outweighed by our general good play. We weren't sensational, but we weren't going to get pushed around by anyone. Another 1-6 season was so far from our minds.



First Row: Tamposi, Doyle, Litchfield, Samaras, Bloom, **Capt.** Frost, Veasey, Young, Fraser, Kane, Harris. **Second Row:** Coach Evans, Coach Moonves, Stone, Longmire, Anderson, Condon, Baker, Commito, Kearney, McDougall, Cole, Horton, Rivera. **Third Row:** Brock, Hosmer, Lenane, Baker, C. Winston, Smith, Harriman, Doyle, C., Moran, Stanyon, Jablonski, Bernsten, Coach Anderson.

The first game resulted in a loss to St. Sebastion's by the score of 18-13. Despite Bill Frost's running and Mark Fraser's receiving something just wouldn't come through for us. Next week came another chance and we took it. But after this game the team died.

I don't know how to explain it, but there was a feeling that was missing. The chatter in the warmup calisthenics subsided. We didn't win another game, and I felt that we should have won them all. When I think back now, I see how true it is that the team with all the desire takes all the prizes. Call it trite, call it old-fashioned, but if two 1-6 seasons didn't teach me anything about football, it taught me about human nature. The stupid losing attitude, the lack of any kind of motivation and drive bothers me, because those with such attitudes lose so much by not sacrificing and by not striving.

Brian Lenane and Tunk Hosmer have the pleasure of leading the football team next year. I hope you have one heck of a season.

CROSS COUNTRY

1st Row: Watts, Hoover, Clayman, **Co-capt.** McMeekin, **Co-capt.** Burlingham, Cohen, Wellman, Love. **2nd Row:** Leonard, Bethel, Steinway, McClellan, Kiberd, Chism, Tarbell, Winkel, Sargent, Coach Reid. **3rd Row:** Coach True, Gannett, Malionek, Buettner, Rudow, Sanchez, Holmes, Durham.

'Life is like a grindstone: Whether it grinds you down or polishes you up depends on what you're made of.'

Nervousness is normal down on the varsity soccer field as Big Red unsuits to the encouragement of League ball. You check out the opposition for the skinniest pair of legs and decide that those are the ones to beat. The race begins with a stampede that dwindles to a panting just behind you, and you remember the old runner's proverb: if you can hear his footsteps, you better move; if you hear his breath, you better pray.' You push the mile time; then dig for the woods, then for the hill; THE hill that always sends you home with a mental sigh. Around the field to the last corner with your face in the sun, you come — but you really couldn't see anyway.

Cross country for 1970 proves again that he who thinks the least wins the most, and you are certainly not thinking as you put your head down for the final three hundred yards of grindstone that finally prove what you're made of.

BIG LEAGUE

The 1970 Big League Soccer season came to an end in early November with Northrup's team going all the way to victory with an impressive 10-2-2 record. Morgan's Mistakes came in second with a not-so-impressive 8-6-1 season. Back in the pack was Catlin's team and most probably least were Ethridge's Whatshamacallits with a 1-10-3 record.

Many records were broken this year. The high scorers were Jon Davis and Bob Yaffe, each with 7 goals and Captain Morgan and Pete Franklin each with 6 goals. Another landmark was established by goalie Northrup — 7 shut-outs. The M.V.P. awards go to Warren Ross, who seemed to be everywhere the ball was and to Pete Alfond who seemed to be everywhere the ball wasn't.

The most probable reason for the downfall of Russ Ethridge's team was that Russo was maimed while trying to trip Warren Ross. Also 'Hurd' Turner bit the dust (or rather mud) when his knee was destroyed by Dave Rogers, and Ted reports that Commissioner Miller was temporarily blinded while refereeing a playoff game. Speaking of referees, Mr. Downes was the No. 2 ref., but he seemed to be interested in the varsity scrimmages.

According to Captain Catlin, the strategy of the team was to play the man and then try to find the ball. Ed had good personnel for this sort of strategy, such as: Nick Fink, 'Chopper' Freimarck, Dave Terry, and Kenny Markin, but, to his dismay, it didn't work.

It was a great season, and next year's League members will have a tough time equalling this year's squad.

J.V. SOCCER

Led by co-captains Thompson and Reynolds, the season for the Second Soccer team was marked by a 5-2-2 record in League competition. The most outstanding game was against St. Marks in which GDA won by a score of 1-0, with exceptional team effort led by Ed Young at halfback and goalie Jaike Williams.

While linemen Brian McKenna and Tim Crane were the individual scoring leaders for the team, the skill and competitive spirit of Paul Bloom, Dave Eshelman, Al Kumpey, Phil Bouchard, Rob Spaulding, Bill Martin, and Dave Goldbaum helped to achieve each victory.

Composed of freshmen and sophomores, it indeed looks promising for GDA soccer in the years to come. Not only was each member of the team knowledgeable in the fundamentals of soccer, but also each could play with his teammates as well.

The Roxbury Latin game, a contest in which four different players scored, typified the spirit and play of the team.

The Second Soccer squad completed a season of dedication, sportsmanship, and a fine record.

FROSH SOCCER

A new student arrives at Governor Dummer and begins the struggle to grow up. He adjusts to a new life-style, initiates new friendships, and enters into new enterprises. The team sport is one of these enterprises in which a freshman begins to learn what commitment and involvement entail. The student emerges onto the soccer field to face and prove himself to the coach and thirty strangers. In the coming weeks they become friends and learn to play together. He learns to depend upon them and be dependable himself. He learns that improvement means work. He faces his mistakes and his limitations. Soon he is no longer proving himself but working with others as a team, giving what he can. Some play larger roles than others, but each had his own place and his own chance to improve.

There are problems. Some think that they are indispensable; some think that they have little to offer. There are cold days and always the windsprints.

Then the whistle blows, and there is a together team on the field. They are often outmatched but never out-fought.

The ultimate goal of a lower-team athlete is to become a member of the varsity, and many of the players on the J.V. Football team displayed what any coach is interested in — the will to win. Although our 3-3 record is not spectacular, a great deal of talent was shown throughout the season. Individual performances by Bates, Hall, Komulainen, Murphy, Averback, and Caldwell were instrumental in our three wins, but the essential ingredient was that the team played together as a whole.

The entire team expresses their gratitude to Messrs. Leavitt and Dubocq for a highly rewarding season.

FROSH FOOTBALL

The 1970 Third Football Team was notable not only for its fine 3-1-1 record but also for the extent of participation. One of the largest squads in some years (27 players) had to function without a manager for much of the season; not a single boy chose to exercise managerial skills over sheer exercise. Offensive players showing promise were: backs — Peabody, Whitney, Hall, Captain Cole; linemen — Kenneally, Shapiro, Burke, Coorssen, Herbert. Defensively, the play of Howland, Darrel Johnson, Elwood Johnston, Bottomley, and Cohen was crucial in holding opponents to seven touchdowns in five games.

WINTER

Freez: Going to the mixer Saturday night?

Ing: What's that? I'm new here.

Freez: It's a dance.

Ing: Oh.

Freez: I can appreciate your social disorientation, because I'm new also.

Ing: Really?

Freez: Yes. I arrived 3 years ago.

Ing: Who is the mixer with?

Freez: Boston Meat Packing Country Day.

Ing: Sounds discouraging.

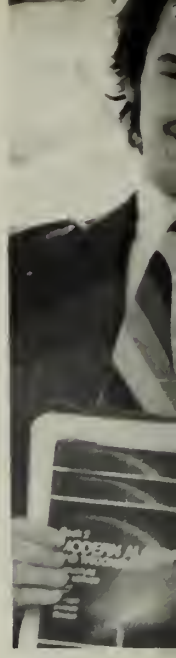
Freez: Well, with unlimited weekends for seniors and for juniors in the spring, we've been forced to send out our J.V. squad.

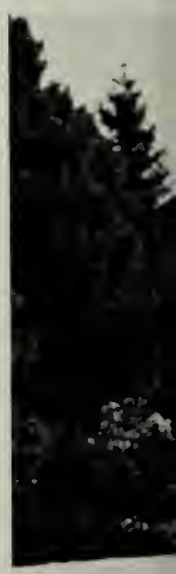
Freez: Are you going?

Ing: Me? Mixers are so artificial. Their contrived atmospheres are not condusive to natural expression and the short duration makes a cattle auction out of a social event.

Freez: But you're the captain of the team. Your absence will hurt the squad's morale.

Ing: Even the Gipper couldn't pull this one off.





FANTA

Aard: Cold?

Vark: What did you say?

Aard: Stop stuttering. I can't understand a word you say.

Vark: Don't be vile. I'm speaking clearly, your ears are shivering.

Aard: Want to go to the grill?

Vark: Not right now. My sufficiency is fully sequencified. If I eat any more, it will be quite obnoxious to my delicate consumptive abilities.

Aard: Wa . . . yuh.

Vark: Have you seen the hallway in Eames?

Aard: What about it? . . . besides being demo-ed from water fights.

Vark: I didn't see any water fights.

Aard: They were probably in their rooms watching hockey films.

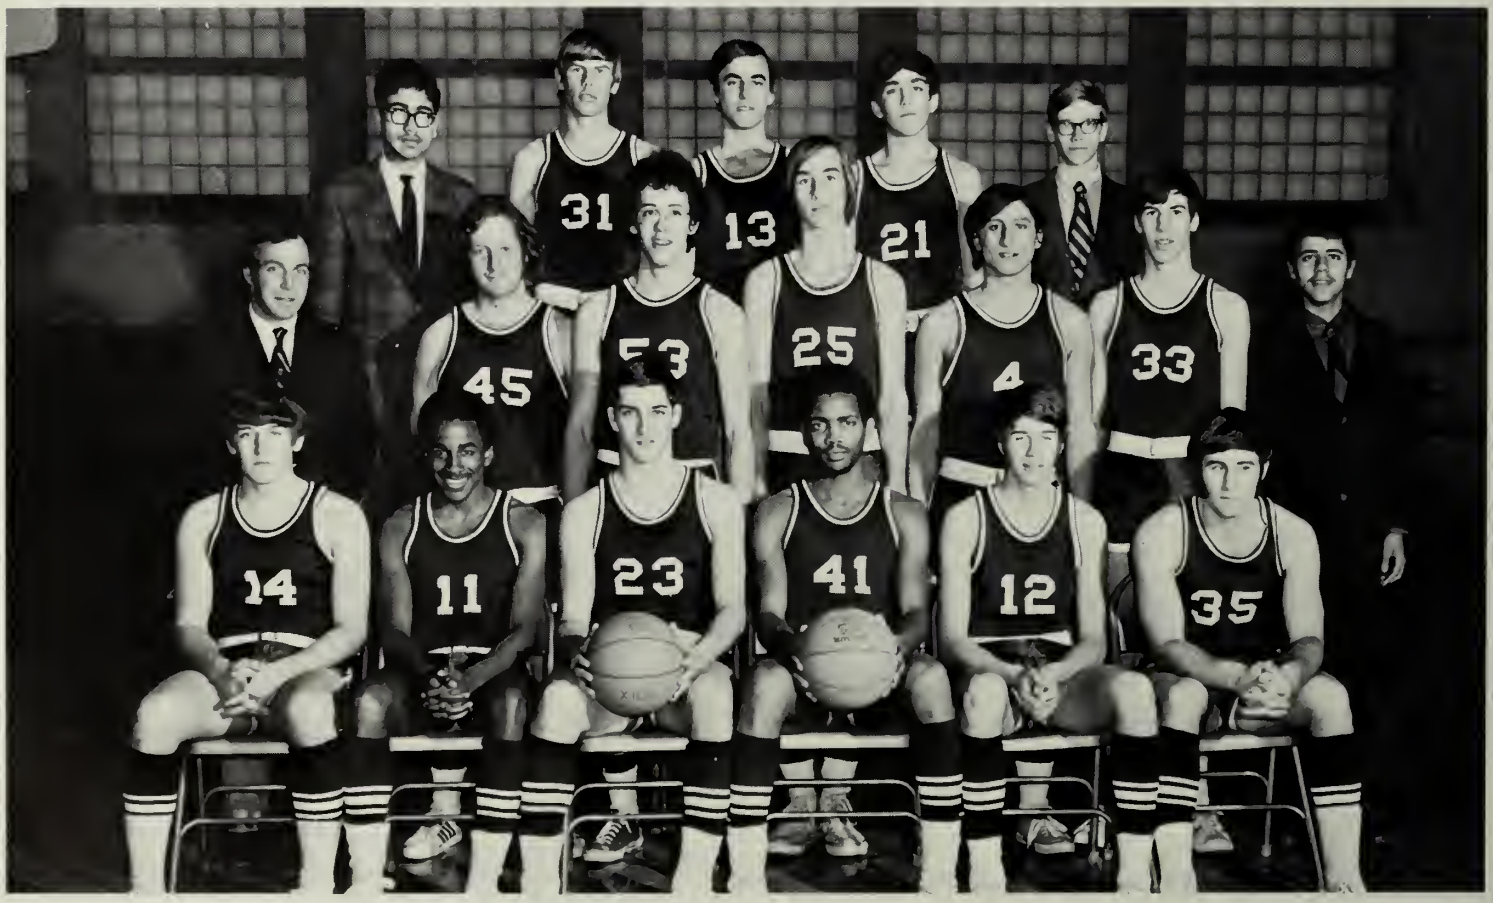
WINTER SPORTS

VARSITY BASKETBALL

The 1970-71 basketball team was one of the best Governor Dummer has ever produced as its 15-3 record attests. The five starters: Pete Viano and Pete Harris, backcourt, Win Smith, center and Joe Lapaglia teaming with Mario "Hawk" Rivera in the frontcourt led the team into the Class C Championships. They received invaluable help from super subs, Mark Nickerson, Bill Litchfield and Bob Murphy. Ten of the fourteen team members were returning letter winners of the young, inexperienced 69-70 team. With a year behind them, they gained confidence and poise on the court and worked as one running and shooting unit. Team play was the key to this club's success.

At all times there were five men on the court who could take control and did. Pete Viano poured in 13 second half points to pull the team past its first tough PSL test in Groton. Mario Rivera supplied the needed punch in the Belmont Hill game both offensively and defensively as he scored 9 of the 13 first quarter points and held the league's leading scorer to only 11 points for



1st Row: Litchfield, Rivera, **Co-Capt.** Lapaglia, **Co-Capt.** Smith, Nickerson, Viano. **2nd Row:** Coach Moonves, Fink, Rutherford, Murphy, Samaras, Harris. **3rd Row:** Rosa, Davis, Cohen, Franklin, Brewer.

the game. Winston Smith pulled down 17 rebounds and scored 20 points against St. Mark's, charging up the team after a disappointing loss to Rivers. At Milton, one of the biggest games of the season, Mark Nickerson came off the bench to pull in 12 rebounds and combined with Bill Litchfield to score 14 points in their winning effort. If ever a game can be said to sum up the entire season it was the regular-season Roxbury Latin game. Joe Lapaglia provided the insuring baskets in a clutch fourth quarter performance, throwing up an amazing turn-around jumper while being closely guarded in the corner.

In the first round of the PSL tournament Peter Harris threw up everything but his sneakers, scoring 34 points as GDA overwhelmed Pomfret 81-58. In the finals, caught in a panic situation, the team fell to Roxbury Latin 60-38.

Next year Nick Fink will be leading the squad out on the court with a contending team once again. The second string showed just how good it was when they beat Moses Brown 106-45. Bob Murphy scored 12 as they supplied nearly 70 of the winning points. Pete Franklin, Jon Davis, Bob and Nick will form a solid nucleus for Coach Moonves to build around next year.

VARSITY WRESTLING

This year's wrestling team was not on a par with former teams in respect to wins and losses, but this year's team was not as experienced either. Previously, a Governor Dummer wrestling team has been composed of juniors and seniors, who, having worked there way up through the system, were well experienced by the time they were holding down a varsity spot. This team was different. Instead the team was made up of five underclassmen, some of whom had no previous experience. This was the main factor in our relatively unproductive season. It was due to the fact that it would be easier to take a free term or league sport rather than to devote their time and determination to the wrestling squad.

However there were three very experienced wrestlers who served as the mainstays of the team: Co-captains Mike Mulligan and Brad Young at 121 and 167 respectively and Justin Doyle at 177. The other members were Charlie Bouchard at 110, Glen Winkel and Steve Routhier at 115, Art McClement at 127, Dana Fisher and Bob Martin at 133, Reg Roome at 138, Cricket Littlefield at 145, Wiz Potter and Alden Hall

1st Row: Winkel, Routhier, **Co-Capt.** Mulligan, **Co-Capt.** Young, McClement, Bouchard. **2nd Row:** Coach Evans, Seaver, Roome, Doyle, Pope, Littlefield, Coach Linberg. **3rd Row:** Coach Rice, Hall, Fisher, Potter, McDougall, Young, Carrizosa.

at 152, Doug Pope at 160, and Heavyweight, Scott Seaver.

After finishing the dual meet season with a 3-7 record, the team went to the Interscholastics at Exeter. Although, as a team, we did not do very well (placing sixth), there were some very fine individual performances. 110 pounder, Charlie Bouchard, placed third after defeating two opponents who had beaten him earlier in the season. At 121, Mike Mulligan, after losing his semi-final bout, came back and gained third also. The other co-captain, Brad Young, was fifth, losing only his first bout to a champion. Scott Seaver placed fifth after defeating his opponent from Andover who had beaten him in the dual meet. Most successful, however was 177 pounder, Justin Doyle who placed second, losing his final bout by one point.

The following week Mr. Evans took four wrestlers to the First Annual New England Prep School Tournament at Rivers. After the quarter and semi-final rounds had been completed, we had three of our four wrestlers going into the finals, and the remaining wrestler, Glen Winkel, had taken a fourth. Brad Young was second, losing to a very strong opponent, and Justin Doyle, after wrestling very well, also had to settle for second place. At 121, Mike Mulligan was our only champion. Mike wrestled well both days, defeating the Connecticut State champion and proving to all the effectiveness of his Granby roll.

Despite the team's disappointing record, this year's inexperience will turn out to be next year's experience, if everyone concerned gives their best and tries to perpetuate the type of wrestling that GDA is capable of.

WINTER TRACK

Somewhere, amidst the zealous fervor of basketball, the drama of wrestling and the excitement of hockey, there exists a winter track program complete with an array of individuals who don't seem to mind freezing weather. Having assumed an almost "club" status because of the lack of facilities, winter track still remains a varsity team indeed.

As three thirty arrives on a cold, dank February afternoon they armor themselves against the foulness of the season. Mittened and sweat-clothed, they take to the street where, time after time, sprinters measure their success by the click of a watch. Others start their long sojourn in ski hats and gloves, returning across the wind-swept causeway five miles later as steaming bodies in the misty twilight of winter strain to overcome the deficit of freezing air. Darkness comes early and they walk to the gymn with head lowered in panting, sometimes rain-streaked and always cold — winter track.

J.V. BASKETBALL

For the second time in three years, GDA's J.V. Basketball squad was the best in the Private School League. The team's only loss was to Tabor in overtime.

The starting five of Larry Coles, Ace Pierce, Bruce Sheldon, Al Winston and Jim Irving was unmatched while the bench provided such stalwarts as Leigh Bloom, Tucker Reynolds, Carry Doyle and John Cohen.

Bruce Sheldon was high scorer and by far, the leading rebounder. Larry Coles, a tremendous acrobatic driver and fine shooter played opposite Pierce who was tenacious on defense. Al Winston was second in rebounds as well as a proficient scorer while Jim Irving drove well but was excellent at getting-the-ball-to-Sheldon.

Instrumental to the team's success was poise which was especially evident in all three of their close games. However, not only were their fifteen talented players but also a fine coach in Mr. True who managed to extract the best from each member. The future of the varsity is indeed optimistic.

As the freshman basketball season opened, Mr. Downes had brought the team to the peak of its potential. However, due to lack of experience, they lost their first game to Belmont Hill despite Brian McKenna's 14 point contribution. Through the aid of Steve Shapiro and substitute, Jim Pramberg, the frosh defeated Brooks for their first victory. In the next game, the team lost to a powerful Emerson squad but then defeated Brooks in an overtime rematch by a margin of 4. Dan Herbert sank 2 foul shots with no time left to put the game into overtime while Steve Shapiro and Fran Burke scored the winning points. Following two consecutive victories over Middlesex in which Dave Williams was the high-scorer, the frosh lost to undefeated Milton. However they won their final game with Browne & Nichols where Woody Johnston and Dave Williams led the scoring. Hence, through teamplay, the freshman basketball team gave Mr. Downes his well-deserved winning season.

1st Row: McKenna, Johnston, Pramberg, Burke, Williams. **2nd Row:** Coach Downes, Sendor, Plante, Atwood, White, Bell, Gannet. **Absent;** Herbert, Shapiro, Towner.

J.V. HOCKEY

The 1971 J.V. hockey team closed their season with a mediocre 3-6 season. The three big wins were over Brooks (2) and Thompson Academy. Outstanding performances by Phil Bouchard, Jack Halloran and Peter Phippen spearheaded all three wins. The most disappointing loss of the season came against Browne & Nichols when they scored the winning goal with four minutes left in the game. In retrospect, the team had a poor record but hopes to improve upon their performance playing for the varsity next season.

FROSH HOCKEY

It is difficult to say much about a hockey team that has a winless season. Our most obvious handicaps were lack of experience and depth. However, everyone improved as the season progressed under the coaching of Mr. Baldassari. Consequently, our best game, I thought, was our last game of the season against Browne & Nichols where we held them to a 2-2 deadlock until the third period when they came back with 2 goals to our 1. The only thing gained by losing is learning what you did wrong and trying to improve it the next time. It was a frustrating season. Everyone looks forward to a better one next year.

J.V. WRESTLING

The junior varsity wrestling squad of the 1970-71 year did not have a very successful season as evidenced by their won-lost record. Again, as with many lower teams, the problem was one of inexperience. Practically the entire team was composed of first year wrestlers who were matched against schools with predominately second string varsity men.

Despite the losing season, the members had incredible spirit and produced some varsity hopefuls for next year. Commendable performances were put forth by Joe Kenneally, Adolf Haffenreffer, Bob Martin, who later moved up to varsity, and the Glen Winkel, Steve Routhier combination who wrestled each other for the varsity and J.V. spot at 110 pounds. The up-coming varsity team should be helped immensely by the wrestlers who plan to continue next year.

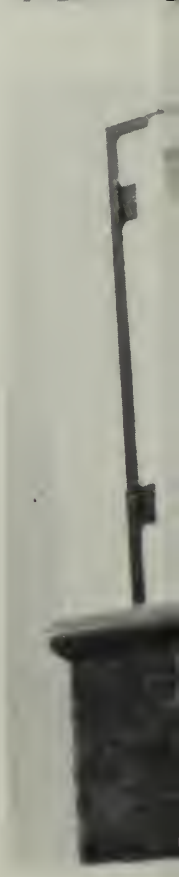
SPRING

ECOLOGY DAY



Mark Apsey's Alumni Day arrived on May 15th, running just ahead of impending disaster brought on by darkening skies that resulted in little more than a cautiously worn raincoat. Despite the foreboding weather report, Governor Dummer witnessed the largest turnout ever. Phillips lawn provided the setting for some of the more typical situations that perennially arouse amusement as old classmates renew acquaintances and laugh as they compare waistlines. Some of the stories one hears about fraternity life make the Winter Carnival at Dartmouth seem like a garden party.

Dormitories are filled with fathers who are busy showing their children where they resided — in the luxury of a leaky room without heat, back in the days before remodeling took place.

Athletic events are lined with former competitors who discuss the relative virtues and drawbacks of the fiberglass pole or the lacrosse game in the mud back in '37.

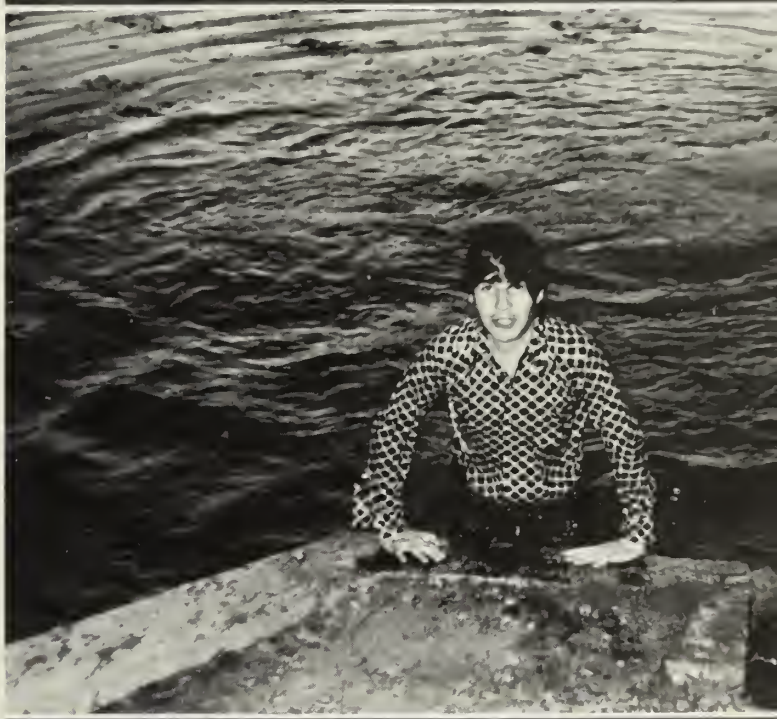
All activities drew people of particular interest which for that one afternoon united the school in past and present. Eliminated were the differences of dress or age which usually separated those who are from those who were. For one day people seemed to gravitate towards each other naturally, the only bond being the experience of four years of education to keep the conversation flowing.

ALUMNI DAY

May was quiet and wet, occasioned by several underclassmen taking evening dips and frequented by soggy afternoons on the playing fields. The buzzing of lawn mowers and the smell of blossoms all went towards making the last days of school a little easier to take.

A bloodmobile came early in the month and found donors in various students and faculty.

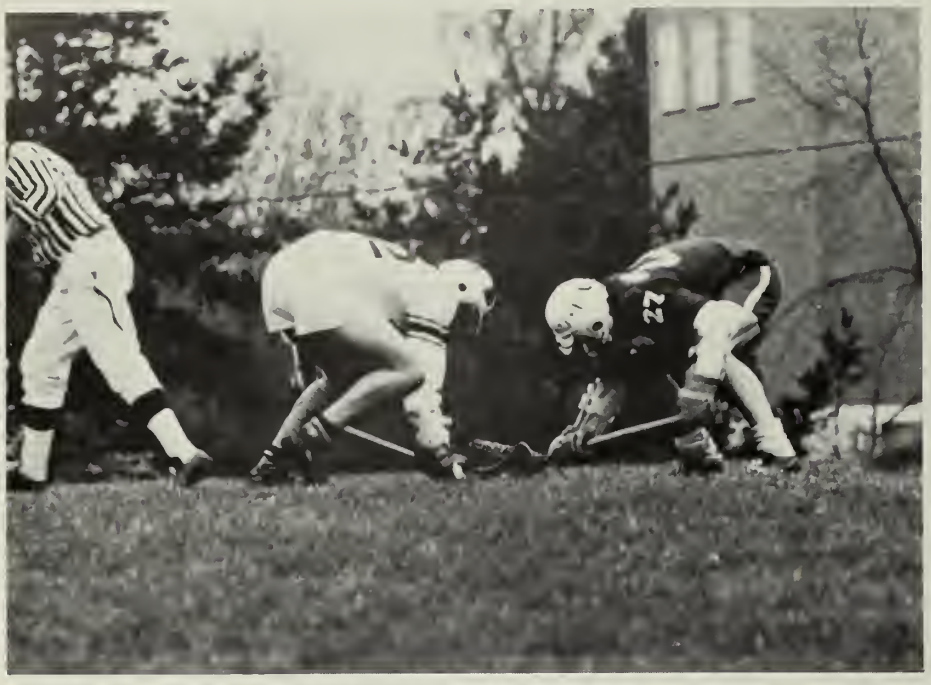
Equally successful was the combined GDA-Pingree "Jesus Christ Superstar" concert which was performed in the chapel before a raptured audience which clapped and cheered the entire chorus as it filed out of the church at the finale.



The spring term introduced a "different mode of doing things" at school proving that a traditional institution was capable of mixing the old with the new. An air of informality did not alter school life despite a liberalized dress code. Those who were once skeptical about the success of spring term projects abated in their criticism as soon as letters from employers began to arrive. Evaluation of work at Brandeis, Ipswich Wildlife Sanctuary, Theater by the Sea, and the Seaview school for the Blind all proved to be commendable. There remains little doubt that the spring term project program will continue next year with the cooperation and effort that was shown in the spring of '71.

SPRING SPORTS

VARSITY LACROSSE



This spring the Varsity Lacrosse team had a respectable season, considering their competition. After losing two extremely close games to Exeter 2-1 and Tabor 9-8, the team displayed its ability upon defeating an undefeated St. Paul's team 7-5. Captain Mike Fish, and Barry Simson have been the one-two punch of the attack which has been unstoppable all season long. Brad Young, Butch and Roo Bouchard have done a commendable job at defense. Butch leads the club in penalties and looks like the winner of the Lady Bang award this year. David Brace, Brian Lenane and Mike Mulligan have been strong contenders in the midfield by showing a great sense of team play.

The team's prime handicap this year was lack of experience. Consequently, the team grew stronger as the season progressed. Composed predominately of Sophomores and Juniors, Co-Captains elect, Brian Lenane and Barry Simpson expect a stronger season next year.

First Row: Brace, Mulligan, Nietsch, Young, **Capt.** Fish, Doyle, J., Lenane, Simson, Bouchard. **Second Row:** Coach Evans, Hall, Baker, Davis, Doyle C, Thompson, Straus, Wellman, Molitor, Potter, Coach Anderson. **Third Row:** Routhier, Pearson, Hosmer, Terry, Martin, O'leary, Freimarck, Jablonski, Follansbee, Fisher, Wilson, Managers.

VARSITY BASEBALL

First Row: Franklin, Moher, Nickerson, **Capt.** Litchfield, Samaras, Fink, **Second Row:** Coach Dubocq, Pierce, Little, Gilman, Committo, Brock, Irving, Coach Moonves. **Third Row:** Blake, Reynolds.

This year's Varsity Baseball team did not fulfill its preseason expectations. The 2-10 record we achieved certainly was not pleasing to the members of the team nor Coaches Dubocq and Moonves. A series of injuries from the beginning of the season to the conclusion prevented any continued momentum. Peter Franklin, centerfielder, missed two games with chest pains, and Jim Pierce, last year's third baseman, was relegated to the role of third base coach with a slipped disc. Nick Fink and Ken Gilman also missed games due to other circumstances. Even though the team suffered these disappointments, they hustled throughout the season. It was simply a case of not putting hitting, pitching, and defense together.

Although the seasonal record was dismal, there were some outstanding individual performances. Nick Fink was one of the premier hitters in the league, including 2 home runs and several doubles and triples. His pitching was not as sharp as last year when he won four games, but he did pitch a masterful one-hitter against Tabor. Captain Bill Litchfield was nagged by a sore arm and pulled hamstring muscle which forced him to move from catcher to first base. However he still managed to have a fine season in the clean-up spot. The infield improved steadily and the double play combination of shortstop Mark Nickerson and second baseman Art Moher was among the best in the League. The remainder of the infield consisted of either Ken Gilman or Jim Irving at third base while Paul Committo and Bill Litchfield split the chores at first base. Steve Miller replaced Litch behind the plate for the last few games and did an excellent job. Charlie Samaras pitched well the last half of the season but lost some tough decisions.

Surprise of the year, Kevin Kearney, led the outfielders in hitting and combined with golden-gloved Peter Franklin in center. The addition of Samaras and Fink in right field complemented a potent outfield. Bob Little and George Brock backed up the outfielders while George also turned in some fine relief work.

Although the team's record was not very satisfying, the varsity appreciates the efforts of "Dubes" and "The Moon." The squad regrets that it could not present departing coach, Dubocq, with the League Championship.

VARSITY TRACK

The track team started the season losing to five of the first six teams it faced. The competition was extremely good while the squad did not display any outstanding performances excepting Al Winfrey's 50'4" shot put throw. However, beginning with a triangular meet against Milton and Browne and Nichols on Alumni Day, the Governors reeled off six straight victories to finish with a 7-5 record.

Co-Captains, John Clayman and Barry Burlingham, along with Joe Sekora dominated the sprinting events with John Clayman setting a meet record of 22.9 in the 220 against Hebron. Complemented by Julian Ellis, this foursome was very successful in the 880 relay, placing second in the Interscholastics.

The half mile was run by Frank Holmes and Bryce Kiberd, both of whom finished strongly during the latter half of the season. Ace miler, Tom McMeekin, who ran it in 4:41, led a corps of young distance runners who improved greatly during the season. Sophomores, Jay Bethel and Fred Sargemt ran excellent times of 4:50 and 4:57 respectively in the mile while sophomore, Tom Bernsten, and Junior, Bill Watts, ran easily under 11 minutes in the 2 mile event.

First Row: Fleming, Bloom B, Ellis, McMeekin, **Co-Capt.** Clayman, **Co-Capt.** Burlingham, Winfrey, McClure, Harris, Winston. **Second Row:** Coach Sperry, Coach James, Martin, Young, Watts, Kiberd, Cole, Sekora, Johnston, Bernsten, Horton, Sargent, Holmes, Coach Mercer, Coach Fenn. **Third Row:** Coach Gosse, Coles, Komulainen, Tarbell, Bethel, Roome, Bloom P, Bell B, Morgan G, Fitzgibbon, Malionek.

Chip McClure, Julian Ellis and James Fleming performed well in the hurdles, although Chip missed the last part of the season.

Concerning the field events, Al Winfrey, who supplied the team with outstanding double victories in almost every meet, was ably supported by the Bloom brothers, Bob Horton and Al Komulainen. In the pole vault, Bill Martin won many events, his best effort coming against M.I.T. Finally Bryce Kiberd also participated in the triple jump and almost broke the school record with a jump of 40'5½".

In retrospect, it was a good season, especially the way the team finished in the last half.

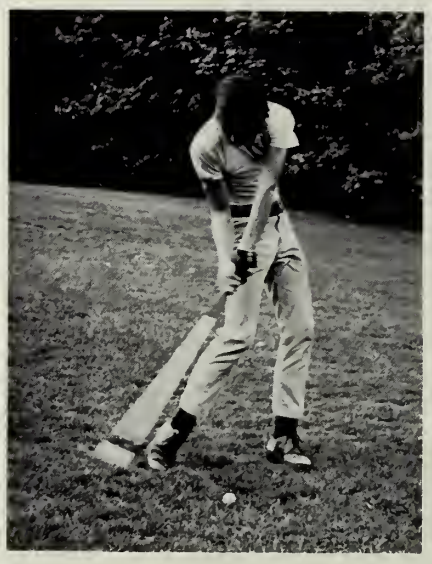
First Row: Conway, **Co-Capt.** Northrup, **Co-Capt.** Alfond, Smith H., **Second Row:** Coach Eames, Tikellis, Condon, Tamposi, Shack, Metcalf, Hoover, Coach Witherspoon.

Varsity Golf opens practice at Fatherland farm — Watch out, don't hit the cows — Any new prospects? — Pete 'the goon' Conway looks pretty good — Alfond is beginning to slice? — Coach Witherspoon can't believe it — Pete's still a short hitter — Northrup is still out-driving Alfond — it's true but Pete will never admit it — Mark McNally's perfect swing looks a bit rusty this year — Tamposi is still hanging in there — he looks pretty good this year — Hoover still has the perfect golf swing — now all he needs is a little weight — Co-Captains Northrup and Alfond talking about an undefeated team — It's possible — Whoops it's no longer possible — big loss to Haverhill in the opener — how do you lose to a High School? — Easy when they get more points than you — Harvard next — Lost 7-0 last year — this year? — tied 3½-3½ — well — it is better than a loss — Oh no, another tie with Belmont Hill — when are we going to win one — Finally a big win at Lawrence — Northrup shoots 74? — Tamposi is still undefeated — Sam must talk a lot, must be the shorts — McNally gets mono? — Condon not playing that well — Now he is — Smith can't control his slice — that doesn't matter, Alfond plays with a slice — Northrup duck hooks — looks like the goon is the



straight hitter — next meet at Tabor — too much wind — Northrup lost — but Alfond and Conway won — It helped but not enough — the team lost 9-6 — next stop Exeter for the last round of the Tri-meet — been pretty close through the season — finally we won — Exeter coach suggests that we never get a handicap again — that was the 4th win in about 35 years — what a relief — finally we get a match where we can be overconfident — St. Sebastion's — big victory 9-0 — first, last and only shut-out of the year — well another golf season is over — not bad, we won the Tri-meet and lost only 2 matches — but we still should have been undefeated — well as the saying goes 'you can't win them all' — that's what McNally said when he got mono for the third time — Well, we had many improvements this year — Hoover played a more solid game — Tamposi perfected his windmill — it must have been an improvement — he only lost one match — Well, we had our ups and downs — good luck to next year's coach, Mr. Eames — and of course Captain Goon . . .

VARSITY TENNIS

Despite a disappointing season, the Varsity Tennis team showed enthusiasm and strong efforts throughout the term. Due to poor weather the team lost valuable practice time. As a result many players lost their timing, a definite handicap in close matches.

The season was highlighted by many individual efforts as evidenced by personal victories and close losses. Charlie Bouchard and Captain Frost were the most consistent winners.

However, with seven of nine lettermen returning, the outlook for next season is certainly optimistic.

First Row: Cohen J., **Capt.** Frost, Cohen R., **Second Row:** Coach Baldassari, Bouchard C., Traver, Collard, Woodbury, Benitez.

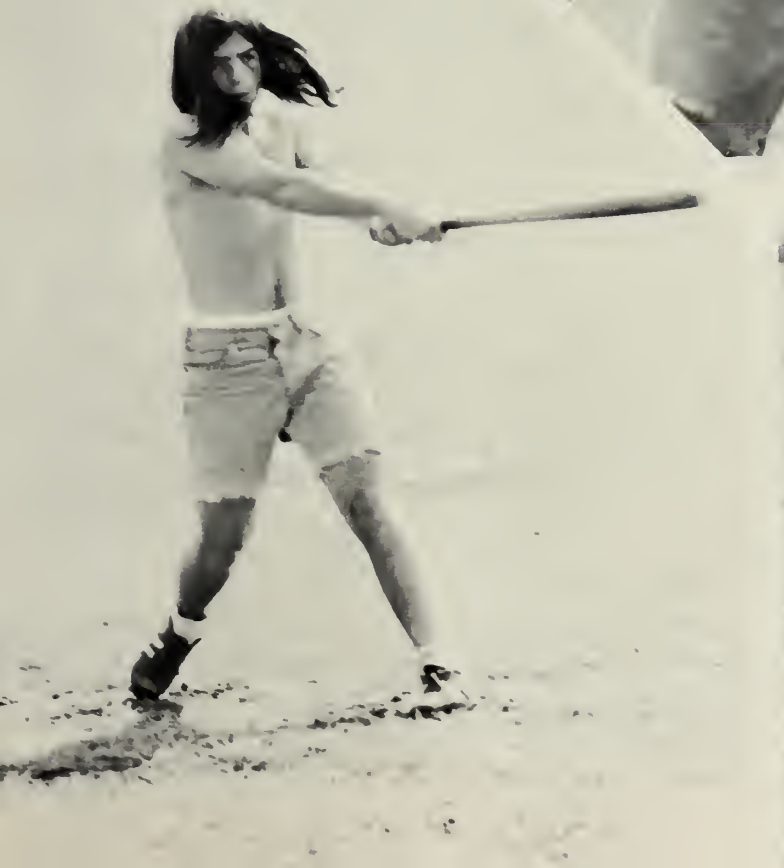
SOFTBALL



J.V. LACROSSE

For the '71 J.V. Lacrosse team their record of 4-8-0 represents many discouraging afternoons. Realistically, the slate could have been 6-6-0. In the first Andover game we led 5-1 in the first period and maintained a lead for three more until finally losing 10-8. We had a similar game with Lawrence. Many times the opposite was true with a weak first half and a strong second half rally.

Our attack consisted of Mike Millikan and Tim Crane starting in every game with Dicken Crane, Jim Leonard, Geoff Peters, and Brad Howland alternating as starters in the other slot. Our starting midfield was Chip Conelly, Rob Spaulding, and Dave Williams. The second midfield was Dave Butler, Shawn Hodgetts, and Chris Anderson. The third midfield consisted of Raul Sanchez, Adolf Haffenreffer, and Merrill Clute. The starting defense endured several changes throughout the season. Joe Kenneally started consistently at crease with Tom McDougal, Blaine Stone, Jeff Grush, and Jake Williams. Our goalies, both of whom started, were Courtney Wang and John Sendor.

FROSH BASEBALL

With the help of a good deal of hitting, and an improvement in pitching, the GDA Third Baseball team struggled back from an 0-3 record to finish the season with 3 wins and 3 losses. Much of the inspiration for the winning of the last 3 games came from the coach, Norman Liversidge, and this, the team felt, was the major factor for their victories.

Following losses to Brooks, Emerson and Exeter, the team gained composure and beat Pike by a wide margin, giving the team much more confidence. The highlight of the season was the rematch against Emerson, because they had beaten them previously. The Governors trailed by one run in the last inning, but 4 quick hits brought 2 runs to win 8-7. This game showed to all that the team could play well, especially under pressure.

The team wishes to express its thanks to Coach Liversidge who gave them confidence and improved each player.

J.V. BASEBALL

The J.V. Baseball team had a mediocre season this year. Two strong pitchers combined with a good infield boosted the team for opening wins over Belmont Hill, Browne & Nichols, Brooks, and Cardinal Cushing. The losses came against Brooks and Thompson Academy. At this point we had a 4-2 record.

Then the team collapsed, losing the last five games and closed with a disappointing 4-7 record. The major handicaps seemed to be lack of practice due to bad weather and a general loss of enthusiasm on the part of the team. Next year has a look of optimism however from Coach Downes and the hope of having a winning season again.

J.V. TENNIS

The Second Tennis team completed a winning season this year with a record of 3-2, led by the consistent play of Jim Zafris and Lee Bloom. Jim and Lee traded the number one position during the season, and received strong team support from Dave Eshelman, Dave Goldbaum, Jeff Haaren, and Don King. The doubles pair of Zafris and King were very successful, and will strengthen the Governors' tennis future. The squad also received noteworthy individual performances from Parker Wise, Doug Pope, Greg Mefferd, and Andy McClellan.

The freshmen, Steve Bottomley, Steve Shapiro, and Andy Free helped gain an important victory against the Emerson School. Bud Poole, Jim Pramberg, and Matt McClain improved markedly as the season progressed.

Throughout the season individual members of the team improved their skills, and the spirit of the squad was high, and everyone is looking forward to an even stronger showing next year.

J.V. TRACK

Anyone who has attended a varsity sports banquet in the last two or three years cannot help but notice the similarity in the phrases describing teams being honored at the dinner. Phrases such as "up and coming," "moral victors," "hardest working," have all gone to replace lines like "best ever," "best in the league," and "undefeated." The J.V. Track team seems to be the odd man out in the midst of only mediocre athletes, because it stands as the only unbeaten team in 1970-71. It is regretful that more "oddities" such as this one could not have found a place on the record books of Governor Dummer sports this year.

COMMENCEMENT

THE MORSE FLAG

The Morse Flag was first awarded at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Reverend Glenn Tilley Morse, long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown during the past year may be given to a member of the graduating class.

The flag I hold is a special sort of prize in that it bids us look back on all that it has witnessed from its lofty perch during the year and ahead to the places and challenges to which our heritage, our abilities, and perhaps the stars may lead us.

Perhaps the flag would say that in some quarters across the nation this has been a year of apathy, a year of retreat from involvement, from caring, from trying. Tiredness and frustration have turned energies either off or inward. Then the flag might say, "Friends, it must not be so tomorrow because there is so much to do and precious little time in which to find solutions."

This morning the flag and I exchange a knowing nod and reassuring smile, because we know it goes into the hands of one who has the conviction, the ability, and the energy to carry on the kind of leadership and performance tomorrow that have characterized his life here. There will be no failure for lack of trying in any part of life he touches, and others will be drawn into his path.

On behalf of the faculty, I take the greatest pleasure in awarding the Morse Flag to **John Justin Doyle, Jr.**

THE ACADEMY PRIZE

For many years, the Academy Prize was maintained by the mother of Headmaster Emeritus, Edward W. Eames. In June 1959, the underclassmen of the Academy endowed this prize so that henceforth at each Commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes." It is awarded to that senior who by his unselfishness and sportsmanship has best exemplified the spirit of the school.

These are times of adjustment, of soul searching for all of us to a degree. For this young man, success at GDA required more of this than for most students. Yet in his quiet, thoughtful, determined way he cleared hurdle after hurdle academically, socially, athletically. He found his own way and in so doing pointed the way for others. To us all he brought greater understanding and sensitivity to one another.

The leadership, whether on the athletic field, through the Red Key, as study-hall proctor, in the Black Brotherhood, has been low key but strong and meaningful. He has been a powerful force in seeking to make this school a place of human concern, of caring, of giving, of fair play.

And so on behalf of the faculty, it is my privilege and pleasure to award the Academy Prize to **Mario Rivera, Jr.**

EDITOR'S PRIZE

The Yearbook Achievement Award is given each year by the editor to that member of the **Milestone** organization whose efforts to the production of the book have been most outstanding.

Mark Ingham Nickerson of Westboro, Massachusetts

AMBROSE PRIZE SPEAKING AWARDS

Increasingly ours is a world of oral communication. People in all fields of endeavor find themselves on their feet presenting ideas that often in the past appeared in written form. This being true, the experience our seniors gain in Mr. Navins's course in Speech becomes ever more important.

This morning I am very pleased to present the Ambrose Prize Speaking awards to the three leading orators in this senior class.

First: **Edgar Seymour Catlin, III** of Brunswick, Main

Second: **Michael Kent Mulligan** of Newburyport

GOODWIN ATHLETIC PRIZE MICHAEL STILES FISH

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

What a list of accomplishments this young man possesses! Nine varsity letters, co-captain of soccer and hockey, captain of lacrosse, and co-winner of the hockey MVP — he has been an outstanding leader and performer throughout his years here. Furthermore, he has found time to serve for two years on the Chapel Committee and this year to devote many hours to his role as senior proctor in a freshman dormitory.

CUMINGS PRIZE BARRY ALLEN BURLINGAM

The Cumings Prize was established by the family and friends of the late Fred T. Cumings of Troy, New Hampshire. It is awarded annually to a boy who has shown perseverance, hard work, and good spirit in his school life.

The winner of this prize has thrown himself into everything he has done here with enthusiasm and total dedication. Whether providing inspirational leadership to the cross country team, setting new directions for the Red Key, meeting deadlines for the "Governor," or coping with his own heavy academic demands, he has been a living example of that perseverance and good spirit cited in this award.

BARRISKILL PRIZE MICHAEL ALLEN WELLMAN

The James M. Barriskill Prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

This senior approximates the proverbial Renaissance Man. Involved in strong academic achievement, two varsity teams, dramatics, Chapel Committee, and "Governor" Board, he is really honored tonight for his outstanding contribution to music in the school — in the Glee Club, jazz band, and brass ensemble.

GAFFNEY PRIZE ALAN DICKSON BREWER

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of his teachers, has been most considerate of the rights, opinions, and sensibilities of others.

In this day and age, many of us are concerned about the trend in society toward selfishness, the do-your-own-thing philosophy. The winner of this prize, on the contrary, has looked for ways to help, to serve others. Through his efforts as an athletic manager **par excellence,** senior proctor, advertising manager of the "Governor," and supervisor of the school archives, he has contributed greatly to the well-being of the Governor Dummer community.

SPECIAL PRIZES

Through the generosity of Mr. Milton L. Dodge of Newburyport, we are able to present a group of Special Prizes to members of the senior class whose perseverance, courage, initiative, sense of responsibility, loyalty, or concern for others has contributed to the strength of the Academy.

We are all impressed by young people who show unusual desire to give their utmost both to their own endeavors and to helping others. As a conscientious student and strong performer on three varsity teams, the winner of the first Special Prize has held the highest standards for himself and met his personal challenges. This year as a senior proctor he has played an extraordinary role in helping younger students.

Michael Kent Mulligan

Several weeks ago on Alumni Day I served on a panel with a senior who demonstrated unusual thoughtfulness and concern in discussing problems of school and society. This concern has been apparent in his leading role among his peers on campus and his deep involvement in the nearby home for the blind and retarded. In the future, I am sure he will continue to make the world a better place for his fellow man.

Bradley Mark Bloom

The next Special Prize is awarded to a senior who has worked hard to achieve Honor Roll standing, has been an inspirational leader on three varsity teams, and has been an example for younger students in his role as dorm proctor. We could always count on his solid performance, his thoughtfulness, and his good spirit.

Mark Ingham Nickerson

The next two Special Prizes I would like to award together because they go to two young men who have demonstrated how deeply involved in, and vital to, the school community day students can be in a primarily boarding school if they wish to play such a role.

Both honor students, one a member of Cum Laude, ten varsity letters between them, chairmanships of study-hall proctors and dining-hall committee, yearbook staff members both — I could go on but my point is made.

Joseph Rocco LaPaglia, III
and
Charles Gavan McClure, Jr.

The sixth Special Prize honors a young man who has demonstrated unusual dedication to academic achievement (leading to election to Cum Laude). In addition, he has been devoted to his duties as editor-in-chief of the yearbook and has thrown himself into all his activities, particularly his spring-term teaching at the Newbury Elementary School.

Michael Evans Hoover

The final Special Prize goes to a senior who has been with us only two years but nevertheless has played a very large role in the school. An Honor-Roll student the last half of his senior year, a three-sport varsity athlete and captain of one, he has also found time to serve as an effective dorm proctor.

William Franklin Litchfield

INGHAM FUND SCHOLARSHIP

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former headmaster of Governor Dummer Academy, in honor of his father, the late Samuel Kellogg Ingham of Saybrook, Connecticut, to help an industrious and able boy work his way through school.

The winner of this scholarship is uniquely qualified to receive it. He was on the High Honor Roll this winter, has contributed a great deal to the athletic program — most recently on the varsity baseball team —, and has carried a regular job to help earn his way through GDA. He most certainly is able, conscientious, and deserving of this award.

George Benedict Brock

FRANCIS SCHOLARSHIP

The Francis Scholarship was established by Mr. and Mrs. Clarence Francis in June 1941 in memory of their son, Richard Hawes Francis of the Class of 1936. It is awarded each year to an underclassman of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life.

Along with steady academic accomplishment, this member of the junior class has developed strong convictions about his role in the school and has assumed much responsibility in the dining hall, social activities, and recently in planning for our coeducational day program. His cooperation and helpfulness are evident to all of us.

Derek Rubin Longmire

HALE SCHOLARSHIP

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to that student who, through his own perseverance, has shown the most improvement in the various aspects of school life and has become an esteemed contributor to the well being of the Governor Dummer community.

A strong Honor-Roll student, member of the Red Key, varsity tennis player with improving backhand, he has most recently been chosen as co-chairman of the Student Council. In this role and through his general concern for his fellows, he will make an ever larger contribution to the well-being of the school next year.

Timothy Oliver Traver

COLMAN SCHOLARSHIP

The Edmund Coffin Colman Scholarship is awarded to an undergraduate who has shown outstanding proficiency in the study of languages.

It would be difficult to find a better qualified student. During the first marking period of freshman year, he only earned C's in Latin and German, but since then it has been three years of solid B's and A's, mostly the latter. A fine language student indeed is the holder of the Colman Scholarship in 1971-72.

Thomas **Vincent Malionek**

DRAMA AWARDS

There are two awards for meritorious work in the field of dramatics, for inspiring participation, providing leadership, and developing theatrical knowledge and abilities.

Not only have these two seniors excelled in all aspects of our drama program at the Academy, they have also been highly successful in their spring-term projects in the drama department at Brandeis University. Conscientious students and varsity athletes as well, they have involved themselves ably and enthusiastically in many aspects of the life of the school. And so I am very pleased to present the Best Thespian awards to

George Gorton Baldwin, III

and

James Barton

ART PRIZE

The Art Prize is awarded to a senior distinguished during his career at Governor Dummer for talent, dedication, and cooperation in the field of art.

Few aspects of our program have developed in so productive and exacting fashion as art. I hope those who have not visited the student show in the gallery in Parsons will do so. One senior artist stands out as is evident in his one-man show in the dining-room wing. A leading student and member of Cum Laude as well, he truly deserves the prize for outstanding accomplishment in art.

Andrew Joseph Nelson

THE WHITTEMORE AWARD

The Whittemore Award is given annually to that member of the sophomore class who by his attitude and perseverance has made the best contribution to the Academy.

Dennett Harden Buettner

MOODY KENT PRIZES

The Moody Kent Prizes are given annually to those students throughout the school who have achieved outstanding records in various academic departments. No more than one may be awarded to the same boy.

1. The Moody Kent Prize for the highest standing in **ENGLISH** is awarded to
   James Hampton Page, Jr. of Caribou, Maine

2. The Prize for the highest standing in **HISTORY** to
   John Edward Andrew Kirkaldy of Westport

3. The Moody Kent Prize for the highest standing in **FRENCH** is awarded to
   William Peter Shack of Andover

4. The Prize for the highest standing in **SPANISH** to
   John Richard Stanyon, Jr. of New York City

5. The Moody Kent Prize for the highest standing in **GERMAN** goes to
   Thomas Vincent Malionek of Newburyport

6. The Prize for the highest standing in **LATIN** to
   Samuel Augustus Tamposi, Jr. of Nashua, New Hampshire

7. The Moody Kent Prize for the highest standing in **SCIENCE** goes to
   William Lacroix Phippen of South Hamilton

8. The Prize for the highest standing in **MATHEMATICS** to
   Paul Tucker Withington of Plymouth

9. The Moody Kent Prize for the highest standing in **RELIGION** goes to
   Bradley Mark Bloom of Swampscott

THORNDIKE HILTON CUP

The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the senior class. With the cup goes a silver medal.

During his four years at the Academy, the winner has stood consistently near the top of his class and now he is number one and a member of Cum Laude. This year he has carried advance honors courses and has done independent study in history. In the process of achieving such a splendid record, he has also demonstrated unusual depth and maturity of thought which promises continued academic leadership in his future years.

William Peter Shack

HARVARD PRIZE BOOK

The Harvard Prize Book has been endowed by Mr. Roger B. Coulter, Class of 1913, and a former trustee of the Academy, so that it may be awarded each year in the future. The Book is awarded to that member of the junior class deemed most worthy through high scholarship and character.

It is a great pleasure for me to make this award on behalf of Mr. Coulter to an honor student, fine wrestler and tennis player, captain-elect of the former, certainly an outstanding member of the junior class.

Charles Timothy Bouchard

BAUSCH AND LOMB Medal

The Bausch and Lomb Medal goes to that senior who, in the estimation of the faculty, has been most outstanding in the study of science.

Paul Tucker Withington

RENSSELAER POLYTECHNIC INSTITUTE MEDAL:

This medal is awarded annually to a member of the junior class who has been outstanding in the study of mathematics and science.

A check of the record card indicates the following: In math 12A's, 4 A-'s, and two B+'s; in science, 2 A's, 7 A-'s, 7 B+'s, and one lonely C+ in freshman year. It also shows regular membership in the High Honor Club.
